Sir,

Subject Maintenance of the approach road to Gavi Mutt and the payment of royalty on street lights

--0--

With reference to your letter No L 1063 CM 10-53-4 dated 27-4-1953 on the above subject, I write to state that the area in question was inspected by the Council The approach roads and the lights provided therefor are decidedly beyond the municipal toll gate and is at the foot of the Chamundi Hills They were done not at the instance of municipal councils and the existence of the amenities provided seemed to be of no benefit to the rate-payers under any circumstances

In these circumstances the Council wished to request the Government to be pleased to reconsider their present order and direct that the maintenance of the road and the royalty on the lights be paid out of the General Revenues of the State

I enclose herewith a copy of the resolution of the Council passed at their meeting held on 9-6-1953 while recording the letter under advertance and request that Government be kindly moved to reconsider their order

Yours faithfully,
